Synopsis

The Not For Tourists Guide to Brooklyn is a neighborhood-by-neighborhood map-based approach to New YorkÃ¢â ¬â„¢s most dynamic borough. The Brooklyn guide covers sixteen neighborhoods, with information on services and entertainment venues: everything from restaurants, movie theaters, bagel shops, and bars to landmarks, art galleries, transportation, and parks. This light and portable guide also features: Ã Â A foldout map that covers the entire borough, including streets, subways, and buses Ã Â More than seventy-five neighborhood maps and profiles Ã Â Listings for nightlife hotspots Ã Â Details on museums and sports Ã Â Essential Brooklyn books and movies This guide is a must-have for all Brooklynites and their outta town visitors.

Customer Reviews

Not For Tourists (NFT) released their first book, a guide to Manhattan, in May of 2000. Today, NFT produces eleven books each year, working closely with city and neighborhood editors in Atlanta, Boston, Brooklyn, Chicago, London, Los Angeles, New York, Philadelphia, San Francisco, Seattle, and Washington DC. Their offices are in New York City.

Hey, there’s a lot of information packed in this guide. However, come on, the font size is ridiculously small. One needs a magnifying glass and a loop to read it (and I’m not saying this cuz I’m old.OK, there are good maps and descriptions of the neighborhood. Nice glossy finish to the pages. Perfect for Lilliputians you may know.

This is a WONDERFUL BOOK!! BUT, it is tiny!!! Our eyes can not read it very well.. but if you havent been to NY in awhile it has a list of all the shops and restaurants and addresses so you can compare growing up to whats their now. It has a map of the town with all the routes. This was GREAT I just wish it printed in 'normal' size

Great guide around the area... We didn't need help to the "normal" things but wanted to find some unique/ local bits, this did just that. It gave us the feel we needed to decide If this area should be our new home.

The book is great, the info consice but maps on a kindle are next to completely useless due to poor resolution. No benifit when enlarged just as fuzzy and unreadable.

The older versions used to have all the hotels listed in their own section of the book. Now, it's difficult to find them. The earlier versions were far more user friendly.

It's ok. I got more info out of brochures.
