Synopsis

Self-inventor extraordinaire, Gabrielle “CocoÃ¢â ¬Â• Chanel revolutionized the lifestyle of her time by inventing a modern concept of luxury. She set her stamp on the 20th century, promoting a new feminine silhouette both sophisticated and discreet. This modern attitude of understated luxe thrives today thanks to the creative talents of Karl Lagerfeld, artistic director since 1983, who has reinvigorated the house by reinventing its famous signatures season after season.AssoulineÃ¢â ¬â„¢s completely updated trilogy unfolds the spirit and heritage of the house of Chanel, from CocoÃ¢â ¬â„¢s revolutionary designs to Karl LagerfeldÃ¢â ¬â„¢s present innovations. This elegant slipcase set includes three MÃƒÂ©moire volumes celebrating MademoiselleÃ¢â ¬â„¢s revolutionary style: Chanel Fashion, Chanel Jewelry, and Chanel Perfume.

Customer Reviews

A regular contributor to Elle and Elle Decor magazines, Francois Baudot (Chanel & Chanel Jewellery) is the author of several books, including monographs on such designers as Elsa Schiaparelli, Thierry Mugler, and Yohji Yamamoto; Fancoise Aveline is a journalist for Atmosphere and Maison Francaise magazines, mainly for their Perfum-Beauty and Art-de-vivre headings. She has written several books for luxury brands, including Chanel.

I wanted a stylish decorative book, all the other books were slender and bigger than I wanted. Great little book to be displayed. Delivered super fast! One day! Love it!

Beautiful! I love everything about this book set! They look great on my coffee table. Although to have the side Chanel faced up, the black and white photo won't be facing up!!!

I like the set of three but had no idea how small the books were. These are not your normal coffee table size that people are looking for. Also found cheaper on Ebay.

Beautiful set of three books. I do a fashion blog, simplybysimone.com and these books are great for posting creative photos on Instagram. There are additional shots inside of everything chanel. This is a great gift to bring to someone's house! I would definitely recommend this set of books!

Spectacular book!

Absolutely love these classic books! Super cute, even just as they lay in my book shelf.

Love my Chanel books.
