I bought this book and a few other Little Dover books for my kindergartener and she loved them! They are the perfect size to carry along with easy words and picture clues. My daughter even erased the puzzles and did them over and over since she enjoyed doing them so much. Dover makes a whole series of these and I went back and bought a whole bunch more!!!Loved them and highly recommend them for little kids :)

my grand -kids love them, Thank you!c convers
