Roger Kamien received his B.A. in Musicology from Columbia and his M.A. and PhD. from Princeton. Kamien taught for 2 years at Hunter College and for 20 years at Queens College, where he coordinated the music appreciation courses. In 1983, he was appointed to the Zubin Mehta Chair in Musicology at The Hebrew University of Jerusalem. In addition to Music: An Appreciation, Prof. Kamien has written numerous articles and reviews, co-wrote A New Approach to Keyboard Harmony, and edited the Norton Scores. He is an accomplished pianist and, in recent years, has formed a two-piano team with his wife, Anita.

I ordered this to go along with my son's college textbook. It was a used book and was supposed to have an access card. This one took WAY WAY WAY to long to get here and when it did it was the wrong thing. It was useless - it does have some nice music but it was a total waste of my money.

Item was 4 days late and when I went to open zip files it stated the files were corrupt and wouldn't work. Waste of money and time and now thanks to them I am behind in my class.

Good music but pricey and not worth it

it music

Item was exactly as described.
