Lois Gladys Leppard (1924-2008) worked in Federal Intelligence for thirteen years in various countries around the world before she settled in South Carolina. The stories of her own mother's childhood as an orphan in western North Carolina are the basis for many of the incidents incorporated in the series.

My life has been an awesome time in book land ever since my Mom showed me the first mandie book I ever saw. It was "Mandie and the shipboard mystery." When Lois Gladys Leopard wrote the mandie series she took us back in time and gave us heartwarming story of god and his love, giving us a good mystery and sent our imagination souring. My favorite so far is "Mandie and the abandoned mine." I hope other readers enjoy these books as much as I do.

My 12 year old daughter loves these books. I love that they have good messages and morals, and they keep kids interested. She can't put them down! I wish I could find more books like this that I can be comfortable with her reading.

Great series. My 11 year old daughter loves it!

I am happy with this book.

My 11-year-old granddaughter has absolutely loved this series. She's on the last three volumes and is going to be sad when the stories end.

My daughter LOVES these books! She reads them over and over.

Great book and arrived as expected.

I love the Mandie books so much...always have...I now have every book in the series...which is amazing...I am still in the process of reading Mandie and the Night Thief, so I haven't finished entirely yet, but from what I can see, GREAT book!!!
