I used this book to make the best Thanksgiving dinner since my mom died over 25 years ago. The dressing brought back memories of my mom and was absolutely delicious. While my Mac and Cheese is pretty good, the recipe in this book took it to another level. As an appetizer, I made the fried wings and sauce, again very easy to follow recipes that taste wonderful. My next attempt will be the potato salad and the greens for Christmas...I can’t wait.

I was so excited and so happy for her these recipes remind me of my grandmother and my mother there’s only a few difference in some her recipes and some new ones I never heard of my grandson got excited about the Kool Aid pie so we made that and we enjoyed it it was delicious congratulations miss Robbie may God bless you.

I got this for my mom as a Christmas gift, since she loves the TV Show. I read through the cookbook before I wrapped it. Everything looks and sounds easy and yummy. Ican’t wait for her to make some of the delicious recipes for me.

I had already been watching the show just waiting for her cookbook. If you love soul food you will love having the cookbook to make it from scratch! I just Love Robbie no nonsense style of running her restaurant.

The recipes are so easy to follow!Can’t wait to try more recipes!Well worth the reasonable price!

Love this book Ms Robbie cooks just like my mom, so now I dont have to call my mom I just use my cookbook!! I made meatloaf, and my family loved it!!!

the reading is just as good as the recipes!! a winner.

Was waiting for this book to come out for over a year and a half. Bought it as soon as it was available for purchase. Love her!! And love her recipes. Definitely recommend this cookbook!!
