I love this beginning book. My son uses it in his school band program and he can practically teach himself with the directions provided. He doesn't spend a month on one page like his older brother did with another book. Apparently, there are additional Band Fun Books written for flute, clarinet, trumpet, etc. - making this series of books perfect for beginning group lessons with mixed instrumentation.

It really made a difference and it gave the students a boost in their confidence! This should have been around years ago! Thanks!ÃƒÂ Ã Å¸Ã ËœÃ Å
