Charles R. Swindoll has devoted his life to the clear, practical teaching and application of God’s Word. He currently pastors Stonebriar Community Church in Frisco, Texas, and serves as the

chancellor of Dallas Theological Seminary. His renowned Insight for Living radio program airs around the world. Chuck and Cynthia, his partner in life and ministry, have four grown children and ten grandchildren.

If you want to understand who Jesus is and read about his life, this is the perfect book. I love the weaving of story with Bible passages. Mr. Swindoll puts you in the middle of an event in Jesus' ministry allowing you to be immersed in that moment. It's very eye opening. I would warn you about the chapters in part 3 that deal with Jesus torture and crucifixion. Experts testify to the process of crucifixion beyond any of my previous understanding. I had to read these parts in very small segments.There is a wonderful prayer at the end of the book that I have written out and recited multiple times. I know as I continue studying Matthew, that this book will help me understand more of the gospel.

This book was amazing. I have read the bible many times, but missed so much. This book explains Jesus' life in historical context, which sheds SO much light on things I didn't understand. Like for example, the explanation of the trials that led to his crucifixion helped me understand better why Pilate allowed even though he found no guilt. So many more examples, but I'm on a tablet. BUY!!!

I read Esther written by Mr. Swindoll, and loved it, so I thought I would give this one a try. I was not disappointedÃƒÂ¢Ã â ¬Ã â with this one either. Mr. Swindoll is so knowledgeableÃƒÂ¢Ã â ¬Ã â about the people in the Bible, that he draws you in from the start and you are captivated with them until the very end of his books. I know much about Jesus, about His life. This book taught me some interesting facts I was not aware of. If you are considering getting this book, you should it won't disappoint. I am going to read David next by Mr. Swindoll, I know I will enjoy that one also.

Chuck Swindoll puts together a biography of Jesus in such an excellent and griping way that you can't put the book down once you start reading. I love it. All his biography books are this way. very professionally and insighly done. Buy it. You won't be disappointed.

I always enjoy the books Charles Sindoll writes. He adds historical perspective to the Bible story that gives the reader a much richer experience. In this book, he takes the reader through the gospels many of us know and love. However, Swindolls insight and commentary help us gain a

greater understanding and appreciation for the life and work of Christ. I highly recommend this book!

This is top notch! A real look at who Jesus is and our reaction to Him. The section on how the Romans carried out the crusifiction is not something you want to read before going to bed.

I enjoyed the way the life of Jesus Christ was told in this book. It is very easy to understand the way it has been laid out.

The author is an expert in detail about the life of Christ. Thank you and the publisher for the project
