Synopsis

Do you want advice on how to stand out in a crowded marketplace? Do you want to take your career to the next level and beyond? In Stand Out & Succeed, career and business strategist Christy Frank explains how the job market really works, and shows you the strategies, psychology and tactics you need to know to get a lucrative, recession-proof career you love. The biggest problem with finding a job today is that we actually have two job markets, and 95% of people don’t know how to perform well in either. Stand Out & Succeed is written to be both transformational and technical, giving readers a new perspective on themselves and showing them how they can attract potential employers. Written for graduates, freelancers and professionals alike, Stand Out & Succeed is a cutting-edge guide that shows you how to discover your passion, accelerate your career and become recession-proof.

Customer Reviews

Well written, insightful, and very helpful . . . if you’re looking for help with your career, read this book.

Successful and fulfilling careers don’t find you - it’s the other way around. This is a must-read for any graduate, professional or career-changer. A practical yet inspirational guide that will help you figure out what you want to do, how to position yourself in that market and give you a new perspective on how the job market works. This book is a chance to pick somebody’s brain who has been there for a long time and knows the business world inside out. Unlike many other career

advice books out there, this one is entertaining to read.
