Synopsis

Almost 60 percent of those in American evangelical churches believe that many religions can lead to eternal life. But if Jesus is to be trusted when he says that no one comes to the Father except through him, the church is failing in its mission. And it’s not hard to guess why. An exclusive Jesus just isn’t popular in our inclusive world. Dr. Robert Jeffress calls on Christians to recover the exclusive claims of the one they claim as Lord and Savior, not as a way to keep people out of heaven but as the only way to invite them in. He tackles questions like- Can people be saved who have never heard of Christ? - What about those who worship God by another name? - Do children automatically go to Heaven when they die? True compassion for non-Christians doesn’t lie in letting them go their way while we go ours, but in sharing the only true way with them.

want to confidently and compassionately share the one true way of salvation with those in your life, or if you simply need to restore your confidence in the gospel message, this is the book for you.|Dr. Robert Jeffress is senior pastor of the twelve-thousand-member First Baptist Church in Dallas, Texas, and is a Fox News contributor. His daily radio program, Pathway to Victory, is heard on more than eight hundred stations nationwide, and his weekly television program is seen on thousands of cable systems and stations in the United States and in nearly two hundred countries around the world. Known for his bold, biblical stands on cultural issues, Jeffress has been interviewed on more than two thousand radio and TV programs, including Good Morning America, CBS This Morning, Fox & Friends, The Kelly File, Real Time with Bill Maher, Hardball with Chris Matthews, and The O'Reilly Factor.

An urgent call to reclaim the message of salvation"In Not All Roads Lead to Heaven, Dr. Jeffress has given the body of Christ a great tool. The exclusivity of the Christian gospel is not just a theological issue to be debated, it is the heart and soul of the gospel."--Dr. David Jeremiah, senior pastor, Shadow Mountain Community Church; founder and president, Turning Point Ministries"Jesus said He was theÃ Â exclusive means to come to His Father for salvation and a home in heaven. Either Jesus was right or He wasn't. Robert Jeffress believes He was right. Whether you do or don't, this book deserves a serious read. It asks and answers one of the most critical questions of our time--the one that actually determines a person's eternal destiny."--Dr. Mark L. Bailey, president and senior professor of Bible exposition, Dallas Theological SeminaryÃ Â "Dr. Jeffress masterfully addresses the common arguments against biblical Christianity and equips us to engage with those who disagree with Christ's claims about Himself. Dr. Jeffress aims to help us to more clearlyÃ Â articulateÃ Â the good newsÃ Â thatÃ Â Jesus came to save sinners because He loves them. Read this book. It's a must-read for the day in which we live."--Susie Larson, talk radio host, national speaker, and authorÃ Â "What a shock it will be someday for many people who will arrive in eternity only to discover all roads don't lead to heaven. This book will provide solid answers as to why this is so. You will learn why Jesus alone has the qualifications to be the Savior."--Dr. Erwin W. Lutzer, senior pastor, the Moody Church, Chicago"Not All Roads Lead to Heaven will help you remember the greatest answers for believing and defending the true gospel story.Ã Â I wholeheartedly recommend it to all Christians, pastors, and Bible teachers, for it will warm your heart and mind with 'the reasons for the hope that is in us.'"--Dr. Tim LaHaye, pastor, author, and Christian educator

Jesus the Son of God talked about two ways, one wide and one narrow. Two gates, two destinations. Unfortunately both ways say "This Is The Way To Heaven" but only one is right and the other dead wrong. The broad way is the way of "Human Achievement", this is the way of works, by what we must "do" to earn eternal life. Dr. Robert Jeffress talks about this popular wide road and and he talks about the unpopular narrow way that has a narrow gate that leads to life and it is entered only by "Divine Accomplishment", what Christ has "done". A very cogent book on the subject of "Sharing an Exclusive Jesus in an Inclusive World".

If you want to read a book that thoroughly explains and justifies the fact that there is ONLY ONE NAME by which we are saved, only ONE WAY to the Father, through His Son, JESUS CHRIST, that our "GOOD WORKS" is not what guarantees our presence in Heaven, this is your book! I managed to read it cover to cover in just a few days and understood every bit of it! Wide is the path that leads to destruction but narrow is the road that leads to eternal life. I hope and pray that you are on it!

I will not comment on the content of this book, only the quality of the product.Pros: Comes in a plastic case, which is better than the cardboard boxes audio books usually come in. There is a notification of the beginning and end of each CD. The presentation was easy to follow.Cons: Each sleeve holds a CD on the front and back, but it can be difficult getting the CDs out and in while driving.

I am about half way through this book. I am really enjoying it so far. Dr Jeffress sticks to the Bible and has a great writing style. I will be purchasing more of his books. This book is an asset to every Christian’s library.

What is ChristianityÃƒÂ¢Ã â ¬Ã â„¢s must offensive belief? Tough question, isnÃƒÂ¢Ã â ¬Ã â„¢t it? Well, according to Dr. Robert Jeffress in his latest book Not All Roads Lead to Heaven, it is the Biblical teaching that faith in Jesus is the exclusive way to heaven.We have all heard the secular religious mantra that all faiths are equally valid and that all of us are basically good people. But what does the Bible really say? In this well written and accessible book Dr. Jeffress draws upon his extensive knowledge of the Scripture and his personal exploration of the subject to provide a compelling case for the exclusivity of the Christian faith.Undoubtedly this is a controversial subject and Dr. Jeffress pulls no punches but his straight forward approach to the subject is tempered with a

genuine love for those who have not taken that ÃƒÂ¢Ã â ¬Ã Å“leap of faithÃƒÂ¢Ã â ¬Ã Â• as he describes it.A few chapters which really spoke to me were those addressing the questions or in some cases the accusations we are often challenged with when sharing our faith:1. ChristianityÃƒÂ¢Ã â ¬Ã â„¢s Most Offensive Belief5. The Intolerant Christ7. What about Those Who Have Never Heard?8. What about Those Who Could Never Believe in Christ?Dr. Jeffress addresses these questions and several more with sound and simple Biblical arguments. After reading this book I know I am better equipped to fulfill the Biblical mandate to give a reasonable answer to some of the most difficult and important questions of our Christian faith.But sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear: - 1 Peter 3:15

This book addresses spiritual issues in a realistic and understandable way. All of us humans have been created by the God of the Bible and will one day account to Him for how they lived their life He gave them. This book will help people get on the proper road to preparefor this accounting scene that will come to all of us.

Excellent - highly recommend this book to help you gain an understanding on answering those "tough questions". Dr Jeffress has a nice writing style. Folks need to understand it takes more than being just a "Nice person".

Today’s secular world needs to read this in order to realize that many who call themselves Christians are not. This will help them understand why and what to do.
