Visions of Sugarplums: A Cookbook of Cakes, Cookies, Candies & Confections from All the Countries that Celebrate Christmas

This is truly an old-fashioned style smorgasboard of a holiday season book. The origins of the holiday days in December and January are detailed and the recipes included have a meaning specific to Christmas, Hanukah and various European-celebrated holidays during that time of the year. Marvelous cakes, scrumptious candies, fabulous traditional cookies...I have used this book for over 28 years for holiday cooking and ideas, and a reminder as to the meaning behind the holidays. All of Mimi Sheraton’s books are truly wonderful--this is my personal favorite and always a pleasure to read thru and use. The Gingerbread Cake that was a favorite of Abraham Lincoln’s is fabulous; I learned to make truffles from this book, as well. A marvelous book for those of us who cherish the spirit of the holidays, family, and home.

I like recipes passed down from generation to generation. This book does that, so when I make these recipes, I feel like I’m keeping the past alive. Love the recipe from one country, and variations from others.

This is a very nice cookbook with an international sampling of recipes for christmas traditional desserts. The only drawback is there really aren't many pictures of the finished product, but if you are familiar with the recipe, this isn't a problem. I found several old recipes my grandmother and great grand mother prepared but I didn't have the recipe for. I bought this so that I could pass those recipes down to my duaghter and granddaughter. A wonderful addition to the library of cookbooks.

Book as described, fast delivery.

This is a Cookbook of Cakes, Cookies, Candies & Confections that celebrates Christmas in other countries.The book cost 1 cent because the cover is ripped and torn. The book itself is in good condition. I felt like I had received a family keepsake, a treasure.I purchased the book because I like to read and was curious how Christmas is celebrated in other countries.Baking is fun, relaxing and is healthier when it is homemade.
