Customer Reviews

I thoroughly enjoyed the writing and the pieces of advice given. This one is told in an easy-to-read teen format and provides great advice to teens everywhere! I suggest all Mothers get this for their daughters. ItÃ¢â ¬â„¢s that good! (Maribel Pagen The Bookworm Who Never Stops Reading 2014-02-01)A very handy book, I would definitely recommend this book for anyone with a teenage daughter - has lots of really good tips to help dealing with the stress of growing up! (Kirsty Aitchison 2014-06-12)This book is full of good advice for teen girls, the authors truly understand problems teens face and how to deal with them. In general, it was a good read. (Fly with Paper Wings 2014-08-09)

I got this book for my soon to be 13 year old daughter. She loves it. I love that she lives it! Some of the advice may rub some wrong, but quite frankly, I think much of the advice is a kind way of saying that you should not conform to this world.I love that the authors continually point girls to where their true focus should be: on God and his word, and they do it in a fun, engaging way.

Good points and easy to read

Another Great Purchase!

Bought this as a gift for my daughter, she says it’s very "real"

my daughter loves it.

I bought copies for my nieces. I thought they were really good books, but maybe better for early middle school age rather than teens. But, hey! I liked the books a lot!

Great to find a book that helps young teens with their most conflicted problems. I love the way this book always refers them God’s word.

Given as a gift to my great nephew. Hope it makes an impression on him.
