John Jenkins is a life-long resident of Colorado and has written two books on Colorado history. He

lives in Golden, Colorado.

This guide is well thought out with color coded pages for quick access to a section when needed. It's a real aid in planning my trip. I bought this because it was on the recommended list in the Fodor's guide. Excellent detail on all types of activities. Provides the history of the area and park as well. Worth the few dollars it costs.
