At first I was skeptical of this book but after I got into it I realized the advice is right on target. Author Becca Lang shows you to approach beautiful women in confidence without making a fool of yourself or turning them off. It's for any man who wants to approach a woman, either in person or online.The book also shows you how to avoid mistakes that can end things before they even get started. I found a number of helpful steps not just for meeting women, but for taking the relationship to the next level when the time is appropriate. What I liked best about the book is it gave a number of really good suggestions about what to talk about when you are in just a casual conversation or if you are on a first date. If you're looking to meet women and do it rightÃƒÂ¢Ã â ¬Ã Â| IÃƒÂ¢Ã â ¬Ã â„¢d heartily recommend this book.

Short and sweet book,I enjoyed itI learned a few tips I think this book is awesome & will help boost your confidence to attract your woman.

This accurate guide will show you how to be impressive in a way that isn't bombastic or rude. It's pretty easy to get attention when you treat women in a respectful manner. Very well done, Becca Lang!
