Customer Reviews

Brand new, no writing, pages clean. This item is a 3 hold punched booklet.

This really helps me to evaluate my child’s understanding of the subject. It also prepares a child for testing at the higher levels of education. I used to think that tests were unnecessary, but found that when it was time to take any kind of test, my kids became almost paralyzed by that word, "TEST". Giving tests to evaluate their progress has made tests a lot less scary for them. Now it isn’t as big a deal to take any kind of test.

These were not as described, but the seller refunded my money.

I received my item as described - both tests and answer key new in package. Smooth purchase.
