Up-to-the-minute Alive Guides cover every aspect of travel in each exciting destination - places rarely covered by other guidebooks! Alive Guides focus on hotels and restaurants, with descriptions based on repeat visits by well-traveled authors. Establishments are rated with the unique Alive rating system, so you can find one to suit your taste and pocketbook. Particular attention is given to shopping in the exotic regions, with details on local artists, cut-price designer clothing and the best values on duty-free goods. Tips on what to do from sunup to sundown include tours, sightseeing, sunning, watersports and the best beaches. Piano bars, jazz clubs, places to meet people and even gay clubs are listed for nightlife. Transportation to, from, and around the area is also covered. Maps and indexes.

Good book but probably not necessary with the internet so close.

Provides a good overview but is a bit dated already. Some of the businesses listed have closed up shop. I found more current information online and downloaded it into my PDA.

I found this book to be extremely helpful. Very practical advice. The only thing I found not to be true was "dressing for dinner". I found that casual dress was by far the best in St. Kitts. Anyone taking a trip to St. Kitts and Nevis should read this book!
