Synopsis

We have all been told at one point in time that the Ger Toshav does not exist today. The truth of the matter is that this is only half-true. There are some types of Ger Toshav that in fact do exist today, i.e. those not connected to the Jubilee Year. However, when one fully looks into the subject matter of Ger Toshav, one will soon realize that the writings of the sages are unified and that Ger Toshav (non-Jubilee) is a real person as represented through halacha for todayÃ¢â ¬â„¢s Torah world.

Rabbi David Katz received Orthodox rabbinic ordination from Rabbi Zalman Nechemiah Goldberg in Jerusalem and has become a leading rabbi to the B’nai Noah (Ger Toshav) with lectures, classes and articles, seen and heard throughout the world. He has authored books, such as "The World of the Ger" (an introduction to ’Ger’ in Tanach and Jewish Tradition) and "Soul Mazal" (Classic Torah Commentary for B’nai Noah). Rabbi Katz now resides with his family in Modi’in, Israel. He can be reached at soulmazal@gmail.com.

Rabbi Katz has researched and studied who the Noahide are and who the Ger are. For us (who are Ger) there is more than just Do 7 and go to heaven. It is for all of us, who have for and long time done more than the 7 laws, but didn’t know where we belonged. We just knew we were more than Noahide. He makes clear we are Ger which is as different as night and day than the Noahide. Also we highly recommend The World OF The Ger By Chaim Clorfene with Rabbi David Katz for deeper meaning of Ger.

Another excellent work from the author who has brought this critical knowledge back to the forefront for non-Jew and Jew alike.
