Louise Simmers received a bachelor of science degree in nursing from the University of Maryland and a master’s degree in education from Kent State University. She has worked as a public health nurse, a medical-surgical nurse, a coronary care nurse, and an instructor of practical nursing and diversified health occupations. Louise has received the Vocational Educator of the Year award and the Diversified Health Occupations Instructor of the Year Award for the state of Ohio.

The Health Science Career Exploration textbooks were exactlywhat we were looking for. The price was good, the qualityof each textbook was good and they arrived in a timely manner.Thanks

This was a great book to learn from. Pretty simple and to the point to what the author was trying to tell the reader. Not like some books with so much wording to get the point across when they can say it in short and simple words like this book. Would recommend for anybody to learn about the healthcare field.
