Synopsis

Magnificent, beautiful, and dramatic--this haggadah is worthy of superlatives! The creative genius of Rabbi Baruch Chait, combined with the superb skill of master illustrator Gadi Pollack, make this haggadah one-of-a-kind. The realistic illustrations will literally transport you back to Egypt, as it looked and felt during the Exodus. The torture our nation experienced, and the wonder of redemption are all captured in these life-like pictures.Experience the thrill of G-d's Redemption, the pain of our ancestors, and the magnitude of the Ten Plagues, in this remarkable haggadah. Full-color pictures, with midrashic interpretations and an intriguing essay on the Exodus from Egypt.

book is wonderful, informative and has amazing pictures. Seller sent book quickly and it was much appreciated!

The art work provides a broader context to the passover stories. Very kin on details.Just one thought though: one image emphasize our nation's sufferings during the Pharaoh times in a quite graphic manner - a young Egyptian whipping a bleeding elderly? Not an imagine I would like my children to dwell on. I have my doubts that men his age were required to do hard labor in the first place, they would be more likely to be "sent off"...This is just one page though, I love the rest.

I am very happy. The item was what I was looking for. Fast shipping.

fantastic family haggadah especially a family with younger children. my grandchildren love it more than i do and that is saying something

Perfect as a visual guide

This is an oustanding Haggadah, with beautiful illustrations and lots of additional curiosities and trivia. I recommend it for your next Pessach!

A fluent translation by Baruch Chait and fabulous illustrations by Gadi Pollock make this a masterpiece. The sensational artwork includes allusions to midrashim (rabbinical stories that explain the events of the Torah's text). These are explained in the book's pages in a clear way. One word of caution: the illustrations are so evocative, they may be too frightening for your youngest seder guests. If you can afford to buy multiple copies, use this haggadah for your seder; if you can't afford enough for your family and guests, get at least one. People will spend time passing it around to ooh and ahh during breaks in the action.

Beautifully illustrated! This is a Haggadah to pass on to future generations.
