Customer Reviews

I appreciated this book written through the eyes of foreigner who has lived in Cesky Krumlov for a long time.She points out unknown spots in and out of the city.This amazing town can be walked through in less than an hour. But this little book shows you how to "experience" Krumlov and not just see it.Great advice on sites, adventures, walks, restaurants, etc.This guidebook on Krumlov was not just written by an author racing around Europe. She lives there. Thanks for taking the time to write it!It was really helpful for my return visit to Cesky Krumlov!

This is truly an insider’s guide to Cesky Krumlov. Lovely writing and wonderful tips and insights. Highly recommended for anyone traveling to this beautiful, historic city.
