Customer Reviews

Wallpaper* City Guides are compiled by the magazine’s travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

There are a million guide books out there covering the historical and practical knowledge about Rome. Wallpaper assumes youÃƒÂ¢Ã â ¬Ã â„¢ve already read those (and you should) and provides you with a handful of modern, design-minded destinations on top of the stuff thatÃƒÂ¢Ã â ¬Ã â„¢s already on your list. The writing is elegant. The format is small and light enough to throw into your day bag. Readers of Wallpaper, Monocle, and Superfuture should buy this. Everyone else will find it useless.

Disappointing.

Not very helpful and not very inclusive of material
