Synopsis

The Genealogy Annual is a comprehensive bibliography of the year's genealogies, handbooks, and source materials. It is divided into three main sections. FAMILY HISTORIES-cites American and international single and multifamily genealogies, listed alphabetically by major surnames included in each book. GUIDES AND HANDBOOKS-includes reference and how-to books for doing research on specific record groups or areas of the U.S. or the world. GENEALOGICAL SOURCES BY STATE-consists of entries for genealogical data, organized alphabetically by state and then by city or county. The Genealogy Annual, the core reference book of published local histories and genealogies, makes finding the latest information easy. Because the information is compiled annually, it is always up to date. No other book offers as many citations as The Genealogy Annual; all works are included. You can be assured that fees were not required to be listed.

Book Information

Series: Genealogy Annual (rl)

Hardcover: 1 pages

Publisher: Rowman & Littlefield Publishers (February 1, 1998)

Language: English

ISBN-10: 0842027408

ISBN-13: 978-0842027403

Customer Reviews

Recommended for professional genealogists, historical societies, and public and college libraries with strong genealogical collections. (Choice)This is the place to check for new titles published on your surnames or geographic places of interest as well as helping to keep up to date on new how-to manuals. (Ohio Genealogical Society Report)A comprehensive collection of books published in the genealogical field during one year is certainly a good idea. Mr. Kemp has done an incredible amount of digging into family histories, guides and handbooks, and genealogical sources by state. (Fgs
