I canÃƒÂ¢Ã â ¬Ã â„¢t believe its over! I am so sad that the Ultimate series has come to an end, but I am so happy how it ended. I. Can. Not. WAIT. Until I can read the Body Armor series and get updates.Lori Foster, as always, has taken me away into her world so seamlessly that I nearly cry when I have to stop reading and do real life things like sleep. Fighting Dirty was the book that I was most looking forward to. I was literally arguing with myself not to skip through major sections of book 2 and 3, which I absolutely LOVED by the way, in order to get to Armie and RissyÃƒÂ¢Ã â ¬Ã â„¢s story faster. I held out and read them all the way through with a smile on my face.
IÃƒÂ¢Ã â ¬Ã â„¢m honestly surprised I was able to read this book all in one day due to the fact that its nearly impossible to keep my eyes open when I am squealing. Read this book. Read this series! DonÃƒÂ¢Ã â ¬Ã â„¢t skip, no matter how much you want to, it will be worth the suspense. I truly hope you enjoy Armie and RissyÃƒÂ¢Ã â ¬Ã â„¢s story as much as I did. Body Armor series, here I come. Happy Reading!

~3.5-4/5ItÃƒÂ¢Ã â ¬Ã â„¢s been a while since IÃƒÂ¢Ã â ¬Ã â„¢ve read any of Foster, since the last couple werenÃƒÂ¢Ã â ¬Ã â„¢t very good. I needed a break. But now it seems that sheÃƒÂ¢Ã â ¬Ã â„¢s gotten back to her high point, and I really enjoyed this one. I missed these books.I didnÃƒÂ¢Ã â ¬Ã â„¢t expect this to be so connected to her earlier SBC series, but I loved getting to see those characters again. That was fun.Armie has always been best friends with MerissaÃƒÂ¢Ã â ¬Ã â„¢s older brother, and sheÃƒÂ¢Ã â ¬Ã â„¢s had a crush on him for years

now. But heÃƒÂ¢Ã â ¬Ã â„¢s always thought of her as off limits, and heÃƒÂ¢Ã â ¬Ã â„¢s never thought of himself as good enough. Merissa decides that sheÃƒÂ¢Ã â ¬Ã â„¢s going to go for it, and she doesnÃƒÂ¢Ã â ¬Ã â„¢t let him back out easily.I enjoyed their chemistry, and it was fun seeing them forming a solid relationship. She is relentless, and he wants her, and itÃƒÂ¢Ã â ¬Ã â„¢s obvious. She doesnÃƒÂ¢Ã â ¬Ã â„¢t let him back off, because she wants him and she knows heÃƒÂ¢Ã â ¬Ã â„¢s just denying it to protect her. I liked how understanding but strong she stayed about the whole subject, accepting him and pushing only when it was needed. The smut was good, too. And it was fun seeing that even her brother was happy about it, and how their friends were ready to protect if needed.The serious plot point was actually quite interesting, and I liked how it turned out and was revealed.IÃƒÂ¢Ã â ¬Ã â„¢m looking forward to reading both DenverÃƒÂ¢Ã â ¬Ã â„¢s story and LeeseÃƒÂ¢Ã â ¬Ã â„¢s story next. IÃƒÂ¢Ã â ¬Ã â„¢m excited for more.[More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]

So... Lori Foster does this amazing thing where she introduces a character and lets you slow burn on that character for about 3 books, getting to know him, and letting you fall in love with him. She did it with Rowdy, she did it with Cannon and now Armie is no exception. The great thing about all of these characters is that they were totally worth the wait. And Armie is no exception.We learn way back in the beginning of Cannon's book, No Limits, that Armie is a player with boundless energy who's a decent fighter and Cannon's right hand. The sexual tension flies between Merissa, Cannon's sister and Armie, you can definitely see where the story might be headed.In this book, I really enjoyed all the great chemistry between Merissa and Armie, now fully formed characters and at the center of the story. Merissa is her own person, tall and proud. A worthy heroine for Armie.I thoroughly enjoyed this book. I always look forward to Lori Foster's new releases but this one was above and beyond my expectations. I have read and reread this book about 5 times now and I'm still not bored with it. Fun, flirty and at times suspenseful. A great read.

I loved every minute of it. Lori never lets you down. I look for stories of what is common to most people. These are everyday people living their lives in process of making them better. I love the idea of keeping community in each story she has written. Most of them deal with trouble kids or characters who have live some type of troubled lives.In this story the idea of the brothers best friend is admired by his little sister is the classic story of the coming of age of a first love you never forget. As Merissa grows up she never forgets the bad boy that stole her heart. The fearless Arime finds he

isn’t afraid of anything but the possibility of losing what he protects the most, his heart. Loris stories always surrounds the main characters with a good support system of friends. The bounds of friendships run deep amoung them and makes for a rewarding tale, not to mention the hot and romantic love scenes that follow all of her books. As all good romance they end well and its the classic fairytale of happily ever after, something most of us remember from childhood of the princess gaining the love of her prince. I have read several works of romance but Lori’s is one I always come back too.

Lori Foster is one of my go to authors. I love this Ultimate series and have been waiting not so patiently for ArmieÃƒÂ¢Ã â ¬Ã â„¢s story.With each book leading up to this we got a peek of the sexy Armie, but nothing could prepare me for just how protective and sexy he really was. Even while he fought his attraction to Merissa he was still her protector. But even Armie couldnÃƒÂ¢Ã â ¬Ã â„¢t hide his true feelings for his friendÃƒÂ¢Ã â ¬Ã â„¢s sister. He thought he had everyone fooled by Armie was the one fooled. There was no way for him stay away where Merissa was concerned.Merissa and Armie heated up the pages with their red hot chemistry. This was sweet and sexy with a mix of mystery and danger. I loved how each book revolved around the center and the amazing group of friends while still giving the main characters their story and HEA.IÃƒÂ¢Ã â ¬Ã â„¢m sad this was the last in this series but look forward to the spin off. ThereÃƒÂ¢Ã â ¬Ã â„¢s so many more hot fighters to drool over.
