Customer Reviews

I gave this book a 5 star rating because of the importance of the nonnegotiable tenets of the Christian faith. What camp a person is in dosen`t matter when it comes to what our creator expects. Daniel Webster was asked the question...."What is the greatest thought to ever inter the human mind" ? His answer is " Our accountability to our creator". Everyone of us wants to be identified with the winning side, My hope in the final outcome is to be apart of the perfect body of Christ. Yes Doctrine does matter even over experience.

Satisfied customer!

Not just well written and easy to understand but easy to search and apply. This book belongs in every library.

very good

This is an awsome book of knowledge. I read the hard cover 3 times and now I am glad has offered it with a Table of Content. All e-books should have a Table of Content. Your biblical experience will improve after reading, and while reading this book. It is a must have.

This book is hard to follow because there is not pagination. The content is not bad, but it is not great.

was good
