Synopsis

Ã¢â ¬Å“Well, if you must, Dr. Ford. Please proceed. But I need to inform you that I have never had any Ã¢â ¬Â¦ insertions in ... that entrance.Ã¢â ¬Â•A complete four-book set of sizzling Victorian medical naughtiness! Enjoy these scorching stories of unsatisfied women who seek help from the renown Dr. Ford who specializes in pesky female problems and offers very unique solutions. The good doctor explains to his patients what his special treatment entails, which makes the shy ladies embarrassed and humiliated, but it seems they have no choice. With the help of his nurse, Gertrude, and his very helpful male intern, Dr. Ford brings his patients to new heights, delivering what he calls a paroxysm. And once his special massage is done, he seals it with a powerful dose of no-so-gentle additional therapy involving their back door. He insists that it would result in the most long lasting results, and the obedient ladies readily accept the doctor's unusual care.
