## Synopsis

Torrian Ramsay, future laird of the Ramsay clan, learned long ago not to take his family for granted. Without the love and devotion of his sire, he would never have survived the childhood illness that kept him abed for years. Now Torrian is a strapping lad, unrecognizable as the sickly laddie of his past, but one thing has not changedÃ¢â ¬â •he will still do aught in his power to make his sire proud. So when the King of the Scots asks him to enter into a betrothal with Davina Buchan, the daughter of a power-hungry laird, he feels he has no choice. Though Torrian is certain the lassÃ¢â ¬â„¢s family has hidden motives, his sire believes in following their kingÃ¢â ¬â„¢s orders, and besides, the marriage will help keep peace in the Highlands. Then Torrian meets Heather, a wild-haired lass whoÃ¢â ¬â„¢s spent the past years living in nature with her wee daughter, away from any clan. With Heather, he discovers that love has a power as strong as duty. To marry as his heart desires, Torrian must prove that the Buchans are not what they seem, but time is not on his side. He will need to rely on his family and friends to help him convince his sireÃ¢â ¬â •and his kingÃ¢â ¬â •that he should be allowed to make his own match.

## Customer Reviews

I loved Torrian's story! Kiera has definitely done it again with this intriguing tale. At the same time she captivates the reader with the way she continues to develop her characters. You feel like you know the Grants and Ramsays and want to continue to get to know them. Torrian has grown into a kind, compassionate adult who is one of the good guys and meets his soulmate in Heather. This book has enough action that it holds your interest and you don't want to put it down once you start reading. Now I want Lily's story ASAP!

I was hoping I could give this a four or five star review but it truly was just ok for me. There were so many instances that were unbelievable to me; one of them being how the very little girl talks so grown up, but there were others also. In addition, there were times it just seemed so saccharine sweet I just couldn't buy in to it. I also was longing for more action in the story.

Great read!! I love all of Keira Montclaire's books. She really makes you feel included in the story. Strong, well developed characters, original story lines that cover a gamut of emotions. This series of the second generation promises to be as exciting as the first series. I would highly recommend this to any of beamy friends that love good, historical romances, intrigue, and beautiful, detailed settings.

No story is a like, but all have a wonderful family connection. I love hearing about the characters and their own journeys to find love. I also love the pictures you have shared through Pinterest- I really felt connected to the people in the story and to the author. Thank you, Keira Montclair. Please keep writing about Highlander love.

Reading Torrian's story was perfect!!! Lost family members found, tormented of past threatening ones future. Heather finally meeting a Brother and Father she never thought she had, but the proof were in their eyes and a few bits and pieces of her past. Nellie her daughter now has many aunts, uncles, cousins, Grandparents and finally a Papa. Heather and Nellie are alone no more.

Keira will never disappoint you. She has you from the beginning of the story to the end. This book is filled with clever schemes, a wonderful cast of imaginative characters that is witty, deeply emotional, passion filled, masterfully woven, and an absolutely delightful and engrossing story. I highly

recommend it and give it 10 stars. Debi Allen

Four stars because I could not put it down to know kindness and love and how they evolved into something great

This is a story about family. What is asked of Torrian. Does he listen to his heart or do what is ordered by the king? A mystery is kept through out this story. It is well worth reading to find the answers.
