Age Range: 12 and up

Grade Level: 7 and up

## Customer Reviews

"Thanks to NetGalley, I received a pre-publication copy of this book in exchange for a fair and honest review. As a result of this preview, I have already ordered a paper copy for my 13-year-old

daughter, ordered a copy for my middle school library, and suggested that my husband, who is a pastor, order copies for our youth group AND I have offered to lead a book study with that youth group, which I never do! Does this tell you how terrific I think Dr. Chapman's Teen's Guide to the 5 Love Languages is? It should. Dr. Chapman does a wonderful job of breaking down his love languages theory for young people, delving in to what it might look like to love someone through service, words, touch, gifts, and time. Each love language has its own chapter with follow up questions, and chapters are also dedicated to family, anger and apology, and figuring out your own love language. The information and guidance Dr. Chapman provides in this book is perfect for young people in building and maintaining healthy relationships throughout their lives."Reviewed by Samantha McManus on NetGalley, Apr 26, 2016 Ã Â

The simple secret to great relationshipsÃ¢â ¬Â¦Discover what makes you unique Strengthen your friendshipsGet along with your parents and siblings betterUnderstand yourself moreMake friends more easily Resolve conflict and tension quicklyBe known and lovedSocialize comfortably Date with less drama and awkwardnessConnect more deeply with others

I love this book! It is helping me with my daughter, to better show love through her Love Language. After she answered the questionnaire to find out her love language, I was surprised to learn that it was not what I had previously would have guessed was her love language. As we go through the book together I'm hoping it will help her in her friendships, too.

One of the best books for talking to teens about getting along with anyone - family, friends, roommates, potential spouses, the general public.... I used it with my youth group and it was a very effective lesson. The book is written on a teen level to communicate the principles in Dr. Chapman's original book for adults. Excellent, and a quick read.

My eldest daughter enjoyed the book and wants her friends to read it. I have previously read the same book that was targeted towards adults and enjoyed it.

Purchased for my teenagers. Read it first; right on the money!Hope they will read and HEED. Worth it.

Super fast shipping! Item just as described! A++++++++++++

She loves these books that help her get closer to God!

Well written for all teen relationships besides boy/girl.

This book is great for teens to begin their journey toward relationships!!
