Synopsis

DK Eyewitness Travel Guide: Walt Disney World Resort and Orlando will lead you straight to the best attractions Walt Disney World and Orlando have to offer. Fully illustrated, it covers all the major attractions and theme parks, year-round festivals, and car race tracks. DK Eyewitness Travel Guide: Walt Disney World Resort and Orlando provides the insider tips you need to have a great vacation, whether you want to experience the wonder of the Kennedy Space Center or face your fears on some of the greatest rides in the world. You'll find 3-D illustrated cutaways and floor plans for must-see sites like the Space Shuttle and Universal City, as well as street maps of major resort centers and reliable information on getting from place to place. Plus, this guidebook is packed with comprehensive listings of the best resort hotels, restaurants, shopping, and nightlife for all budgets. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that brighten every page, DK Eyewitness Travel Guide: Walt Disney World Resort and Orlando explores all the sights and wonders to be found in this fun-filled family destination as no one else can.

I like the Eyewitness line of guidebooks, but the information is not current. The print is way too small, way too small.

No need to purchase any other kind of travel books. DK always has the best! Good price, great information and easy to read.

I love books and I love planning. So itÃƒÂ¢Ã â ¬Ã â„¢s no wonder that I am preparing myself in advance for a trip to Florida with our family. Having a great relationship with some publishers, I have approached one of them to see if I could review some titles related to Florida and Walt Disney World.So the first title that I would present you is the DK Eyewitness Travel Guide for Walt Disney World and Orlando. This book is thin in size and could easily be carried wherever you go while visit the area or the theme parks around Orlando.In the first section of the book, you will be introduced to Walt Disney World and Orlando as a whole. Specific days are pre-planned for you in order to enjoy some of the must-see attractions in the area. It will also present you the geographical aspect Florida, give you a small history of the state and how to enjoy Central Florida through the year.The next section is the one that highly interest me when planning comes. In this section, I can go through Walt Disney World and identify which attractions we would like to do as a family. I can also discover more information about other theme parks (Sea World, Aquatica, Discovery Cove, Universal Orlando, Wet ÃƒÂ¢Ã â ¬Ã Ëœen Wild, and more) that can be found in Orlando as well as other activities to do in Orlando or Central Florida. As I flipped through the pages to discover other fun places to visit, I stumbled on one called WonderWorks which design is unique ÃƒÂ¢Ã â ¬Ã â œ an upside down faÃƒÆ'Ã Â§ade. Just this picture itself has picked my curiosity to the point that I would like to go check it out. But reading the description of the place I think it will be a wonderful place to visit as well especially when you can experience hurricane-force winds, an earthquake and have the opportunity to land a space shuttle. Talk about learning on the roadÃƒÂ¢Ã â ¬Ã Â¦The following two sections will present all the information a traveler need to

know when it comes to stay, food, shopping, entertainment, weddings, sports as well as where to find travel information as well as practical information for your trip.The book is visually appealing with numerous photographs, maps, and illustrations that will bring make the place even more real for your eyes. I love seeing tables like the Rides & Shows checklist where I can easily determine which rides would be okay for my kids and so on. The information contained in this book will help you to make wise decisions when it comes to which section of a park to visit with kids and which ones are better for couples. Also, having a list of popular restaurants and shopping suggestions is always nice when you want to have fun with your family eating out (yes even RVers will choose to eat out every once in a while) and bring some souvenirs home.If you are planning to trip in the Orlando area, this book is definitively one that would be interesting to have because it will inform you on everything that can be seen, eaten or bought in that city.
