Synopsis

Meticulously researched by a team of expert residents who know this region intimately, Frommer's New York State (1st edition)Ã Â is an extraordinary and highly personal guide to one of AmericaÃ¢â ¬â„¢s mostÃ Â diverse regions. FrommerÃ¢â ¬â„¢s NewÃ Â York StateÃ Â is packed with candid opinions on everything about New York City, but also on the beaches, antiques shops, wineries, skiing, hiking, biking, and other outdoor adventures that make up the rest of New York State. WeÃ¢â ¬â„¢ve covered all the perennial favorites, from the Hamptons to Niagara Falls, but weÃ¢â ¬â„¢ll also take you off the beaten track to discover New York's best small towns and natural escapes. Whether you want a romantic getaway in an upstate B&B or family fun on Long Island's best beaches, FrommerÃ¢â ¬â„¢s will help you design the trip thatÃ¢â ¬â„¢s right for you.

Neil E. Schlecht is a writer and photographer who travels frequently along the Hudson between an old farmhouse in northwestern Connecticut and New York City. He is the author of a dozen travel guidesÃ¢â ¬â •including Spain For Dummies and FrommerÃ¢â ¬â„¢s guides to Texas, Cuba, and PeruÃ¢â ¬â •as well as art catalogue essays and articles on art and culture. Rich Beattie is a freelance writer who lives in New York City. Formerly the Managing Editor of Travel Holiday Magazine and Executive Editor of the adventure-travel site GORP.com, he now writes for Travel & Leisure, the New York Times, Four Seasons Hotel Magazine, Boating Magazine, and Modern Bride, among others. Brian Silverman, author of FrommerÃ¢â ¬â„¢s New York City, FrommerÃ¢â ¬â„¢s New York City From $90 A Day, and Portable New York City, has written about travel, food, sports, and music for publications such as Saveur, Caribbean Travel & Life, Islands, American Way, the New Yorker, and the New York Times. He is the author of several books including Going, Going, Gone: The History, Lore, and Mystique of the Home Run (HarperCollins), and co-editor of The Twentieth Century Treasury of Sports (Viking Books). Brian lives in New York, New York, with his wife and son. A native of Buffalo, New York, Karen Quarles now enjoys the temperate climate of New York City, where she works as a freelance writer and editor. Karen has also contributed to FrommerÃ¢â ¬â„¢s Los Angeles.

Frommer's New York State, 4th edition, is a fairly useful book. I found that it had good information on the locations it covered.However, there is no information at all on some cities. For instance, we were going to Oswego on a recent trip, and it is not mentioned in any way.We did find some helpful information on most of our destinations on our recent trip to upstate New York.

It's hard to find a guide book that actually covers all of New York State, but this one does a great job. There are features on small towns, the cities and everything in between. It's organized by region, which is quite helpful for a large, oddly-shaped state like New York.

The book helped us to plan our trip. It was as advertised and shipped promptly

This isn't a guidebook at all! It's a brief overview of some landmarks in NY. If you've never been to NY and don't know the difference between Brooklyn and Manhattan then this will clear things up. But if you are looking for something to help plan a vacation this is not it.

Not what I expected. Thought there would be listings of hotels and there wasn't anything. Just outdoors stuff.

I was looking for a book to consider taking a trip to the Adirondacks. There are not many with just that topic. In the past I have used Frommer's travel books happily. I knew this would have good information. It was more than I wanted, covering the whole state which would require a lot of info on NYC, but it was worth my while to purchase.

My husband and I have recently semi-retired, and have spent considerable time traveling throughout the Finger Lakes as well as some other areas in New York State. We found the information contained in this guidebook to be well researched, concise, infomative and accurate. It is easy to find specific interests in the book, and we would highly recommend it to anyone interested in touring NYS.

We recently purchased the Frommer's NYS 3rd edition Travel Guide and it is wonderful. Packed with great info on best places to visit. We were especially excited about the info we got about the FingerLakes Canandaigua area and the review's about the Bed & Breakfast's in the area.The Chalet of Canandaigua, apparently a NEW B&B in the area seems an awesome place to stay based on the descriptive 3 star review! The book is great to use,the What's New Section which leads you to the detail area section was a great way to guide your decision on where to stay, what to do when you get there!!!I would highly reccommend getting this book to help plan a vacation or simply a quick getaway whether your from another country, another state or a NYS resident!
