Synopsis

Brightly colored Stangl Pottery earthenware bird figurines were made in New Jersey from the 1940s into the 1970s. The very similar Pennsbury birds were hatched in Pennsylvania during the 1950s by former Stangl employees. Today both companies' wares are eagerly sought by collectors in all parts of the country. In this first book of its kind, Mike Schneider shows the entire Stangle Birds of America series plus 60 examples of Pennsbury birds in beautiful individual color photos. There is also a chapter on the little known but highly desirable Stangl animal figures. This user-friendly book, in which the Stangl birds are listed by the model number, also includes an alphabetically arranged name index for complete and easy cross referencing and close up photos of marks. A price guide based on the current market makes this beautiful volume an invaluable tool for collectors and dealers.

Mike Schneider is a freelance writer. His Complete Salt and Pepper Shaker Book and Complete Cookie Jar Book, have won high praise from collectors and reviewers.

Great book for stangl collectors

Lots of content and well presented

THIS IS A SUPER REFERANCE BOOK. IT WILL SHOW YOU THE BEAUTY OF MANY BIRDS AND THERE VALUES MADE THROUGH OUT THE YEARS BY STANGL.

Excellent book. Wonderful pictures, almost the entire collection is pictured. Information is clear and precise. Prices are higher than what today's economy can support but that seems to be the way with all price guides. I highly recommend all of Mr. Schneider's books, they're very well written, pictures are clear, price guides are realistic and they're extremely user friendly.

Very limited..... not much for your money. Very limited subject matter for the high end $$
