This time the 6th trumpet judgement, the demonic horsemen are around. I donÃƒÂ¢Ã â ¬Ã â„¢t consider this to be quite as interesting as the 5th one, but itÃƒÂ¢Ã â ¬Ã â„¢s very exciting. With these plagues, the authors often take advantage of the fact that the believers are safe, and only the enemies are in danger. I wonÃƒÂ¢Ã â ¬Ã â„¢t give away the details, but I also really like the

unique way that one of the stubborn characters finally becomes a believer.Like in the main series, the authors somehow make the mistake of how many people are left. In this book they reach the halfway point of the tribulation, and say that the worldÃƒÂ¢Ã â ¬Ã â„¢s population is half what it was at the start. But it will actually be a lot less than that by this point. The Bible says that a quarter of the worldÃƒÂ¢Ã â ¬Ã â„¢s population will be killed from the great war early in the tribulation, and a third during the 6th trumpet judgment. Do the math and these 2 plagues alone will have killed half the worldÃƒÂ¢Ã â ¬Ã â„¢s population. If these were the only two plagues, the authors would be right, but there are many other plagues in between. The Bible doesnÃƒÂ¢Ã â ¬Ã â„¢t say how many people will be killed in any of these, but it will obviously be a lot (except for the 5th trumpet judgment in which none will be killed). I honestly cannot understand how the authors could get this wrong. But I guess itÃƒÂ¢Ã â ¬Ã â„¢s not that big of a deal.

This series is a GREAT one for adults as well as kids! Read the first book and you are hooked all the way to the end. I would really recommend everyone to read this series. As it is written from the kids perspective it really has a different perspective on the Left Behind Series. I have just begun reading it again for the second time.

Im am reading this series for the second time and I love them! The first time through though I compared the bible verses to what said in the book to make sure the authors weren't just making stuff up. These books are very incitefull as to what is coming when Jesus raptures his church. Very scary stuff. This series is a must read for everyone Christian and nonchristian alike.

The tension mounts. The prophesies are becoming filled in fantastic ways. We don't rear know how these Biblical prophesies will be fulfilled, but it is so fascinating to read these books and get Aran idea how it could.

great books!

Love the series...lost book seven and was glad to be able to get it right away on my kindle

I love the Biblical accuracy blended with an exciting, easy read end times story. The characters are experencing life as christians in a society that wants to eliminate them.

Wow great read. Would recommend anyone of all ages to read the series. Great companion collection to the original left behind series
