Synopsis

The Testament of Sister New Devil is an ongoing manga series based on a bestselling series of light novels of the same name. Combining action and comedy with the supernatural genre, The Testament of Sister New Devil is a high octane romp about a high school boy and his two succubi step-sisters, that will appeal to fans of manga series like High School DxD and Dragonar Academy. The Testament of Sister New Devil has spawned an anime adaptation, which has been licensed for home video by Funimation, and will also receive a second animated season in late 2015. When his oddball father suddenly decides to remarry, high school student Toujo Basara is about to acquire some very peculiar new family members. Enter his new seductive step-sisters, Mio and Maria. When Basara discovers that one of his step-sisters is a succubus, and his other a recently crowned demon lord, all hell breaks loose! Basara is almost forced into a contract with his demonic sisters where he would act as their eternal servant - but something goes wrong. Instead, a reverse contract is formed, and Basara becomes the master. Between fending off their seductive advances and coping with the attacks of rival demon contractors, Basara has a big learning curve if he is to survive.

Tetsuto Uesu is best known as the author of The Testament of Sister New Devil light novel series.Miyakokasiwa is best known as the artist of The Testament of Sister New Devil manga adaptation.

Volume 6 of The Testament of Sister New Devil was great. It’s more light-hearted than recent volumes as Maria takes center stage. She decides that she needs to scout Basara and Mio’s school in case of demon attack. She brings Basara along with her and naturally, she gets into mischief when she decides they should investigate the girls’ locker room What follows is a comic disaster. Back home, Maria informs Basara and Mio that their new resident Yuki wants to be included in a master-servant contract like the one they have. Maria takes great pleasure in arranging matters and lets us know the succubus motto: "If you’re going to do something, you may as well do it sexually!" However, fun aside, a demon lord named Lord Zolgia is preparing something and he’s sent a female demon named Zest as his spearhead. This volume ends on a cliffhanger that is shocking and will leave fans of the series eagerly waiting to find out what happens in Volume 7.
