Synopsis

When a freak snowstorm catches Rosalie Davis outdoors, she realizes the western adventure she craved when becoming a mail-order bride might not be everything she imagined. Before freezing to death on a canyon trail, sheÃ¢â ¬â„¢s found by the local blacksmith. Her only chance for survival is a nearby shelter, through treacherous terrain and frigid conditions. But surviving in a run-down trapper cabin together brings its own set of problems.Tom Brewer knows how tough a Montana winter can be, but facing extreme conditions without food has him worried. For years, Tom has been too busy with work to think of much else, but after being trapped with Rosalie, he realizes how much heÃ¢â ¬â„¢s missed. Now, the snowstorm seems a minor issue compared to his attraction to her. Because no matter how he craves her, his desire to protect her is even stronger.After a wolf attack, their horses bolt, leaving them stranded in the dilapidated cabin to survive through winter unless rescued. But can Tom and Rosalie survive in such tight quarters without giving in to what they want most?

Customer Reviews

The Miners to Millionaires series is an ongoing saga that takes place in the town of Promise Creek, Montana. When a miner, Ivan, sent off for mail order brides, he didnÃƒÂ¢Ã â ¬Ã â„¢t just send for one. When nine women showed up as his mail-ordered brides, they will learn of the deceased groom. The women will live in his home, and one by one are being courted and married. What starts out as a mail-order fiasco has slowly worked out for many of the other women, and the various single men in town and each book will read as a stand-alone as part of this series.Rosalie Davis chose to become a mail-ordered bride, leaving her family in Ohio and seeking an adventure in the west. While her intended groom is no longer in the picture, she has decided to remain in Montana rather than returning home to her parents, and five older and over-protected brothers. She has made friends, especially with the other ladies who also arrived as a bride for Ivan.The plot will have Rosalie traveling on a sunny day to visit a friend, and the day changes quickly with a whiteout snowstorm. As luck would have it, another traveler, Blacksmith Tom Brewer comes across Rosalie and together they must trek to a trapperÃƒÂ¢Ã â ¬Ã â„¢s cabin to seek shelter.The story will have two people who are virtually strangers, relying on each other to survive the storm, watching out for each other, and working together as a team to stay alive. What these two did not count on was how easily they could communicate with each other, sharing family details, and developing a friendship. But what happens when it is more than friendship developing? Tom hasnÃƒÂ¢Ã â ¬Ã â„¢t considered finding a wife and having a family. Rosalie proves she is resourceful but is also an innocent. They must remain neutral towards one another because they donÃƒÂ¢Ã â ¬Ã â„¢t know how long they will remain isolated.ÃƒÂ¢Ã â ¬Ã Å“He had saved her, taken care of her, made her feel safe in a terrifying situation, and had made everything all right. He had treated her with kindness and respect, never one taking advantage of her, and heÃƒÂ¢Ã â ¬Ã â„¢d made her laugh.ÃƒÂ¢Ã â ¬Ã Â•How can two people who are starting to develop feelings keep things from going too far? Rosalie feels Tom is pushing her away and feelings are hurt.ÃƒÂ¢Ã â ¬Ã Å“Most of the sting of his rejection had eased, but not all of it. That wasnÃƒÂ¢Ã â ¬Ã â„¢t possible, not when she wanted so much more from him than he was able to give. He wanted friendship, but she wanted him.ÃƒÂ¢Ã â ¬Ã Â•The story is a clean historical romance that shared the challenges of two people doing their best to survive the elements, the lodging situation, finding food, avoiding predators, and protecting themselves from human desires.Disclosure: I voluntarily received an e-copy of this book for a read and review. All thoughts, opinions, and ratings are my own.

Rosalie Davis was not dressed warmly enough for the chilly December weather in Montana. The warmer day had unexpectedly turned quite cold. She was going to visit a sick friend and could not

wait to warm herself by the womanÃƒÂ¢Ã â ¬Ã â„¢s fire! Unfortunately, with another hour and a half to ride, a few snowflakes started to fall. The storm was getting bad, the wind howling. Fortunately, she heard a voice calling to her and Tom Brewer, the local blacksmith, rode up to her. He told her how bad the trails had gotten, and they headed toward an old rundown cabin for shelter.A stream they had to cross had risen waist-deep and Tom walked the horses through as Rosalie pulled herself high on the saddle to keep dry. Tom was half frozen and almost losing consciousness by the time he made it across and remounted his horse. She helped him inside and got him under blankets while she built a fire in the dilapidated cabin. Her leg had gotten wet in the stream and she was in pain as feeling tried to come back; she knew Tom had to be suffering even more having walked waist-deep through the icy water. She shyly climbed in beside him on the mattress to share body heat for survival. But they had very little food to share.This was an excellent book that I thoroughly enjoyed. It was well written and the author created a scenario that felt very real to the reader. The characters faced a life-threatening situation with only each other to rely on. And as they talked and learned more about their histories, their respect for each other and their feelings grew. Tom is an honorable man who had put his work before thoughts of marriage and a family. He did not want to take advantage of Rosalie merely because they were growing closer. Rosalie was a brave, resourceful woman. Would they realize that they needed each other, perhaps more than just to survive this situation? Would they get rescued before lack of food and the extreme cold proved too much? I highly recommend this wonderful, clean Western. It will keep you reading into the night to see how our heroes fare . . . I was given a copy of this book and voluntarily chose to review it. My comments reflect my honest opinion.

ÃƒÂ¢Ã â ¬Ã Å“A Mail Order DawnÃƒÂ¢Ã â ¬Ã Â• is the sixth book in Ms. Daniels Miners to Millionaires series. Ms. Daniels is the kind of professional writer I adore. She consistently produces exceptional books that are wonderfully written, creative, captivating and entertaining. Tom and RosalieÃƒÂ¢Ã â ¬Ã â„¢s story is an enjoyable read. I always love the creativity and a uniqueness of her storylines. I absolutely love this story. It kept my interest from the first paragraph to the ending epilogue. Tom and Rosalie have such great chemistry and the sexual tension in the wilderness made for a lovely romance. Rosalie is a strong, dependable do what needs to be done kind of heroine. Tom is the perfect gentleman, protective, kind and a take charge kind of hero. I donÃƒÂ¢Ã â ¬Ã â„¢t like to give plot details because I feel it detracts a new reader from purchasing a book and you already have a synopsis from the vendor. Really well written clean Western Historical Romances are hard to find. I absolutely loved reading this book and highly

recommend this series. You will not be disappointed.A received an ARC from the author for my honest review. It was a pleasure to review this story.

Wow this is my favorite book yet in this series! While you don’t have to read the series in order I have loved it so much would recommend starting from the first book! Tip...get kindle unlimited and just start binge reading!One of my favorite things about this author is how I often get so pulled into the story and really feel what the characters are feeling. As I read the words on the page I just got lost in the story...I felt the fear of not being found, fear of running out of food, the fear of not making it...best of all I felt their feelings as they fell in love.Can’t recommend this book this book enough. Hoping the next book comes ASAP!!!
