Synopsis

One of the great masterpieces of Western religious thought, the Zohar represents an attempt to uncover hidden meanings behind the world of appearances. It is the central work in the literature of the Kabbalah, the Jewish mystical tradition. This volume of selected passages from the Zohar, culled by the greatest authority on Jewish mysticism, offers a sampling of its unique vision of the esoteric wonders of creation; the life and destiny of the soul; the confluence of physical and divine love; suffering and death; exile and redemption.

Text: English (translation)

One of the great masterpieces of Western religious thought, the Zohar represents an attempt to uncover hidden meanings behind the world of appearances. It is the central work in the literature of the Kabbalah, the Jewish mystical tradition. This volume of selected passages from the Zohar, culled by the greatest authority on Jewish mysticism, offers a sampling of its unique vision of the esoteric wonders of creation; the life and destiny of the soul; the confluence of physical and divine love; suffering and death; exile and redemption.

The book is very short - only about 125 pages. Yet, it is written in very easy to understand English by a well known scholar on the subject - Gershom Scholem, and provides the reader with a nice

introduction to some of the more prominent and interesting components of the Zohar. The introduction to the book sets the stage for the reader by providing sufficient background and explanation so that the reader, once immersed in the Zohar translation itself, has a framework to understand and evaluate the context. The excerpts from the Zohar will make the reader think, and provide a glimpse into some of the more esoteric Jewish rabbinical thought. A good intro on the subject.

A pleasanter entry into the world (or worlds) of the Kabbalah could scarcely be imagined. Very satisfying, yet it whets the appetite for more.

The spirit we are is a serious matter. We learn about to make a living, also we have to understand about death, our reality, in a way to make the person we are complete. This book is marvelous to help to understand Cabala, the spiritual side of Judaism.

I really enjoyed this book. The insight and it also gave me a broader outlook and more understanding of the Zohar. My daughter is reading it now and she also is enjoying it. This is not a book to pass up if you are getting into the Kabbalah.

This book is very good it is a condensation and explanation of the messages in the Zohar. It is very good for one starting into the subject.

Thanks

When you start turn and see that you got right book his lyrics like music. Please try others of his books and see what you hear.

Awesome
