Synopsis

PublisherÃ¢â ¬â„¢s Note:Ã Â Ã Â Products purchased from 3rd Party sellers are not guaranteed by the Publisher for quality, authenticity, or access to any online entitlements included with the product.Fundamentals of Nursing: Human Health and Function gives students the knowledge, tools, and problem-solving skills they need to tackle real-life challenges in todayÃ¢â ¬â„¢s fast-paced clinical settings. In addition to focusing on basics such as how to promote health, differentiate between normal function and dysfunction, use scientific rationales, and follow the approved nursing process, this practical book goes a step further by providing something just as valuable: an understanding of patient safety, communication, and critical thinking, all of which successful nurses must demonstrate. Ã Â Highlights of the 8th Edition: Ã Â A timely new chapterÃ¢â ¬â •Chapter 4, The NurseÃ¢â ¬â„¢s Role in Healthcare Quality and Patient SafetyÃ¢â ¬â •responds to multiple imperatives in todayÃ¢â ¬â„¢s health care, helping students understand systems that promote exceptional care in a complex environment.Case scenarios that open each chapter show nurses thinking holistically and reflecting on critical thinking questions.All-new, richly illustrated concept maps, ideal for visual learners, apply the nursing process and critical thinking to the chapter-opening case scenarios.Ã Â PICO (patient/problem, intervention, comparison, outcome) displays illustrate examples of a structured, evidence-based way to find answers to clinical questions related to the chapter-opening case scenarios.Concept Mastery Alerts improve studentsÃ¢â ¬â„¢ understanding of potentially confusing topics, as identified by Misconception Alerts in LippincottÃ¢â ¬â„¢s Adaptive Learning Powered by prepU.Apply Your Critical Thinkingfeatures guide students to explore concepts and situations more deeply. Answers in Appendix B allow students to check their thinking.Patient Care Plans and Procedures sections (including some newly added procedures) help students transition from the classroom to nursing practice.NCLEX-style Review Questions prepare students for success on the NCLEX exam.A robust ancillary package is provided for instructors and students.Ã Â Ã Â

Book Information

Hardcover: 1560 pages

Customer Reviews

Ebook pages do NOT match physical book. Assignments and homework are a nightmare. Controls on kindle are rudimentary to say the least and scolling through pages gives inconsistent content once you try to go back. In other words.. you’re looking at a page, scroll forward to another then back to that same page and content is moved througout the screen like a completely different page. Horrible and last time I buy an online book.

I am highly satisfied with the customer service of Charlie textbook and the good job of stuart to support me

Arrived on time. I am pleased with this product.

Thanks!

The book was full of useful information that I would need to strengthen my education in nursing. It even had "study for the NCLEX" sections at the end of every chapter.
