People always cheer for the man who fights against all the odds and those that defy the usual standards. Underdogs are never more beloved than in the world of sports, where guys that defy physical standards always get the adoration of the masses. Basketball is one of the sports that is never short of an underdog. In the game of basketball and a professional league such as the NBA, physical gifts have always made superstars out of the athletes. You talk about Shaquille O'Neal, who stood over 7 feet tall and weighed over 320 pounds of mass. Then there is LeBron James, who is 260 pounds of muscle but runs like a gazelle on the hard floor. Russell Westbrook may not be the tallest guard on the floor, but he is lightning quick and jumps out of the building. The best superstars have always been some of the most physically gifted athletes in the history of the game. The NBA has always been like that. It assesses the players' potential first and foremost based on what his physical attributes could accomplish. His height and wingspan are measured. They look at how physically ready his body is for a tough grind in the league. They assess how fast he could run and how high he could leap. After all, basketball has always been one of the sports that rely chiefly on an athlete's physical gifts.Tags: Isaiah Thomas Bio, Isaiah Thomas basketball, Boston Celtics basketball, Al Horford, Avery Bradley, Jae Crowder, Marcus Smart, Brad Stevens, Kelly Olynyk, Russell Westbrook, John Wall, Kyle Lowry, Kyrie Irving

Customer Reviews

"Isaiah Thomas: The Inspiring Story..." is a good read once you get by the grammar errors and typos. But, if you're reading for content, the author is entertaining and informative. Isaiah Thomas is amazing!

The simple fact that right on the cover there's a printing error should be telling of the production quality. I should've noticed that. Shame on me. My 5th grader is barely one chapter in and the typos are all over the place. He could probably write better material.

Such a good book!!! Going to read al horford now So so so so so so so so so super excited
