Synopsis

Mike Stroud has become a favorite teacher to many Ã¢â ¬Å“seekers of truthÃ¢â ¬Â• around the globe. When Jesus stood before the Romans, and declared, Ã¢â ¬Å“To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth,Ã¢â ¬Â• Pilate then asked the question, Ã¢â ¬Å“What is truth?Ã¢â ¬Â• Highly Favored of the Lord II is featuring MikeÃ¢â ¬â„¢s compilation of podcasts 12-24 and explores the many hidden truths found in scripture. It is strongly recommended that book 1 be read first as Mike builds knowledge Ã¢â ¬Å“precept upon precept.Ã¢â ¬Â• Some of the questions that are answered in this edition are: How did Lucifer Ã¢â ¬Å“Son of the MorningÃ¢â ¬Â• become a satan? What can we do to have an advantage in the world to come? What is the mainspring of all corruption? Why are we supposed to know the Ã¢â ¬Å“mysteries of GodlinessÃ¢â ¬Â•? How are we Ã¢â ¬Å“neutralizedÃ¢â ¬Â• in this world? Who is the Remnant? What did Nephi obtain that we are supposed to strive for in this life? What is power IN the priesthood? Why is there opposition throughout eternity?

I have his first book and just ordered this one. I have heard all his podcast already, so I know this is going to be a wonderful source to use and study. I'm so excited to read through the podcast this time! Mike has a wonderful talent to make you look at truth from a much deeper perspective that causes you to see the full picture in much greater light. All the puzzle pieces of deep and even some simple doctrine seem to fall in place as you listen to Mike not just put it together, but teaches you on how to continue on and discover more truths for yourself through growing closer to our Savior. So grateful to him for sharing his talent and hope he continues to share more as he feel inspired to do so. Some of the best gospel teachings I have heard are in these books. Thank you Mike! and Thank you to those that helped him get it into print! You will want a paper copy of these teachings for sure!

I like the way Mike backs up his points with scriptures and quotes from the prophets. Insights from the temple are interesting and I realize they include personal revelation he has received as he has inquired of the Lord, though I wonder sometimes if he quotes too much from the temple dialogue. My mind has been opened to greater insights and I plan to mark my scriptures with the references he has listed. I would recommend this book to anyone who is seeking greater understanding of the basic doctrines of the Gospel from someone who really knows his scriptures. .

Excellent reading for the advanced Latter-Day Saint who wants to learn more about deeper spiritual doctrines and mysteries taught in scriptures and by early church leaders, especially Joseph Smith's insights.

Mike Stroud is humble yet bold in his declaration of Christ. This second book will give you more light and knowledge and leave you with a great depth of the temple. I have the deepest graditude for the things I have learned from Him through the spirit. My life has been forever changed. I recommend getting it spiral bound so you can mark up and highlight really easy. If you haven't read his first book but that too!!!

Great book. It will get you to look at things more intently. If you are LDS I would strongly recommend them.

Arrived on time and I am enjoying reading it. A good job of transcribing his pod casts. Great topics.

Mike Stroud is a treasure, how wonderful that he shares his decades of study and learning with us in an easy to understand way. Listen to his podcasts and use the book and follow up study.

I have listed to ALL of Mike Strouds podcasts. He is a magnificent tool in the Lords hands as he shares his understanding of gospel principles and doctrines.I very much enjoy having his podcasts in book form since I mark quite a lot and like to keep things together. He is a wonderful teacher and mentor to many. Take the time to find out for yourself why.
