Bought this for my niece for her 1st communion. She loved it. Perfect gift for children and tweens.

This is a great book. I'm taking some of the prayers out of it and making a smaller prayer journal for my 6 and 4 year olds. Since they can't read well yet this book is a bit big for them, but I love having it as a resource. As they get older they will enjoy it more.

Grandkids embraced it!
