GodÃ¢â ¬â„¢s Word and to fulfill the same mission weÃ¢â ¬â„¢ve had since 1933: "To know Christ and to make Him known.Ã¢â ¬Â•

I must agree with "Huge Disappointment". The crafts require materials not easily found requiring trips to craft stores, etc. I, too, liked very few of them. The idea might work for Vacation Bible School but for Sunday School they are too time consuming. What a waste of money.

Not as much craft that can be easily done. The craft items requires buying a lot of stuff at craft stores. Not very convenient.

This book is wonderful as it helps teach the child the bible. As you read the bible story the crafts they make coincide with the story. So you know the child understood the story through the craft she made. Thank you.

I like this book because it's organized into sections like Christian Life, Moses, Jesus' Birth, etc. so it's easy to flip open and find something quickly. The crafts are interesting and easy to do from a well-stocked craft closet. Having a book with 100 ideas at my fingertip is so much easier that surfing the internet endlessly looking for ideas.

It's really difficult to come up with ideas that emphasizes the sunday school lesson in a fun way week after week. I'm always looking for new ideas and since this book had 4 or 5 stars, I ordered it. I've been teaching sunday school for a number of years and I was disappointed to see ideas I have already seen years ago. This craft book is just sitting unused on my bookshelf.

I love Gospel Light, but I found that most of the activities in this book just weren't relevant/useful for use with our lectionaries. The crafts are cute, but don't get used.

Very good book, exactly what I needed

This has been a wonderful book for me. I teach a class with children ranging from ages 3-12. I was able to modify the crafts easily for the little ones. This book has lots of great, easy to follow ideas. I would recommend it to anyone needing a great bible craft book.
