Synopsis

The most trusted name in law school outlines, Emanuel Law Outlines were developed while Steve Emanuel was a student at Harvard Law and were the first to approach each course from the point of view of the student. Invaluable for use throughout your course and again at exam time, Emanuel Law Outlines are well-correlated to all major casebooks to help you to create your own outlines. Sophisticated yet easy to understand, each guide includes both capsule and detailed explanations of critical issues, topics, and black letter law you must know to master the course. Quiz Yourself Q&As, Essay Q&As, and Exam Tips give you ample opportunity to test your knowledge throughout the semester and leading up to the exam. Every title in the series is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Emanuel Law Outlines provide a comprehensive breakdown of the law, more sweeping than most, for your entire study process. For more than thirty years, Emanuel Law Outlines have been the most trusted name in law school outlines. Here s why: Developed by Steve Emanuel when he was a law school student at Harvard, Emanuel Law Outlines became popular with other law students and spawned an industry of reliable study aids. (Having passed the California bar as well, Steve Emanuel is now a member of the New York, Connecticut, Maryland, and Virginia bars.) Each Outline is valuable throughout the course and again at exam time. Outline chapters provide comprehensive coverage of the topics, cases, and black letter law covered in the course and major casebooks, written in a way you can easily understand. The Quiz Yourself Q&A in each chapter and the Essay Q&A at the end provide ample opportunity to test your knowledge throughout the semester. Exam Tips alert you to the issues that commonly pop up on exams and to the fact patterns commonly used to test those items. The Capsule Summary an excellent exam preparation tool provides a quick review of the key concepts covered in the course. The comprehensive coverage is more sweeping than most outlines. Each Emanuel Law Outline is correlated to the leading casebooks. Every title is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Tight uniformity of writing style and approach means that if you use one of these guides, you can be confident that the others will be of similar quality.

I have a professor that's not entirely clear always, so this has been a huge help

I just got this to help with my Property course which uses the corresponding casebook. I was hesitant to get the Kindle edition until I realized that I can read it on the computer. I've used it a couple of times so far and like reading it on the computer and being able to highlight. I cannot comment about the content yet, because I've just begun the course and I've never used an Emanuel Outline before. I loved that I got it at a discount at the beginning of the semester. Apparently many of the Kindle version supplements are discounted at the beginning of each semester, so keep an eye out.

This book is spot on. I have Dukeminer assigned and I like to do my readings in it and then the applicaple chapters in this book. Really helpful to make sure you have not missed anything, and provides easy explanations for confusing topics. Makes understanding the textbook a breeze.

It's helpful because it is keyed to DK. I'd be careful though. Some of the stuff in here seemed to be incorrect-- or at least did not completely match up to what my professor was saying in class.

Really really helpful if you have the book its keyed to.My property professor was awful and this book does a good job laying out the issues and why we read certain cases. I ended up using it a ton to write my own outline (because my class notes were worthless).For an 8-hour take home exam this came in so handy, thank god for the index.If its not keyed to your book it will probably be moderately helpful only.

This was a great help. It matched the textbook it was supposed to. The only thing I thought it lacked was any I.R.A.C.ing. I have seen other books with the cases outlined using I.R.A.C. and that would have been helpful. But, overall this was a useful aid for understanding some of the more complex concepts. It helped simplify some material.

Love this supplement for Property! It has really helped me with my reading and understanding from my casebook. I like the examples and the simple way they break down some of the more confusing issues. Glad I purchased it! Now if I could only get the information into my head by osmosis... I'd be great!

LIFE SAVER. BOOKED THE CLASS!!
