Synopsis

ISEE LOWER LEVEL VERBAL SYNONYMS - 420 PRACTICE PROBLEMS.Copyright March 2015 - ISEE Exam Preparation Experts.ISEE Lower Level Verbal SYNONYMS practice only!ISEE Lower Level Verbal SYNONYMS practice only!.*** Other ISEE Lower / Middle / Upper exam preparation materials from "ISEE Exam Preparation Experts" are available or will become available for your Kindle..This Kindle eBook only contains ISEE Lower Level Verbal Synonyms problems. The actual ISEE Lower Level contains Sentence Completion, Quantitative Reasoning, Mathematics Achievement and Essay sections as well, but this eBook does NOT cover those sections..This Kindle eBook is intended for use by current FOURTH and FIFTH graders applying for private schools that require the ISEE Lower Level..FIRST HALF of this eBook (Problems #1 thru #210)The first half (#1 to #210) of the problem set of this Kindle eBook contains "easy-medium" ISEE Lower Level Verbal Synonyms questions. If your child is currently in 3rd or 4th grade, he or she should focus on these problems first. These more fundamental problems provide an array of intermediary steps to transition to harder ISEE Lower Level Verbal Synonyms questions. The ISEE Lower Level can be challenging and intimidating, but these "easy-medium" problems will build a foundation of skill, confidence and rhythm in a young test-taker..SECOND HALF of this eBook (Problems #211 thru #420)The second half (#211 to #420) of the problem set of this Kindle eBook contains "medium-hard" ISEE Lower Level Verbal Synonyms questions. If your child is currently in 4th or 5th grade, he or she can focus on these problems. These "medium-hard" problems are designed to challenge advanced test-takers to reach the highest ISEE scaled score ranges preferred at many top private institutions across the country..ISEE Lower - Verbal ReasoningÃ Â The ISEE Lower has a Verbal Reasoning section that is composed of two different kinds of questions: Synonyms and Sentence Completions.This Kindle ebook only contains ISEE Lower Level SYNONYMS practice problems.Both kinds of questions test your vocabulary and reasoning ability. Synonym questions focus on word recognition, since the correct answer choices are those that have the same meaning or are closest in meaning to the word in the question. Synonyms also test your ability to reason, because you must choose the word that is closest in meaning to the word in the question from among four answer choices..Strategy: Since the answer choices are listed in alphabetical order, think of a word that first comes to mind when you read the synonym and then look for it (or a word like it) in the list..What is the purpose of these 420 ISEE Lower Level Verbal Synonyms practice problems?.A pervasive characteristic of ISEE Lower Level private school admission exams is that they are very difficult, oftentimes featuring test questions one to two grade levels above your child’s current public or private school curriculum. The ISEE targets a small, highly competitive group of

students applying for top private schools across the nation..Using our years of experience developing training guides for a national test preparation company, we have created ISEE study materials that closely approximate the sequence, scope, phrasing and difficulty level of actual exams. We have accomplished this through years of meticulous research into individual ISEE test questions and through information acquired from former test participants. Thousands of applicants have worked through the ISEE Lower Level Verbal Synonyms practice problems contained within this Kindle eBook to enhance their candidacies in the private school admission process.

Customer Reviews

Although the format of this book is good, I feel like the words are too easy. Even though it’s lower level, these words are much easier than all the other practice books and tests I’ve used. I think I"m going to have to try the middle level. The reading comp and math books are excellent!

Very helpful book. Two books in one
