Customer Reviews

Loved reading this book..took me all of 48 hours! As a mom of a aspiring cricketer I enjoyed all the inside stories. AB is such a great role model for youngsters today...love his honesty and boldness to share his faith. Thank you AB!

A brilliant read! Very interesting, not only about AB’s life and cricketing career but about the other many talented sportsmen that were entwined in his life .

This book was more a chronological account of his cricket career than an autobiography

Actually a disappointing read - expected more!

I enjoyed the book but would have liked more of AB's private life as an adult, but then he is still very young so will just have to wait for the sequel. Such a pity I couldn't have watched him play while reading the book. When are you going to be fit AB?
