I got this book as a goodbye gift for my son leaving for Navy BootCamp. It represents how I feel about his leving to move forward on an exciting journey. I think the song and lyrics are inspiring and the book adds a nice touch to make it a sweet, little gift.

Wonderful memories from when my grandson was a baby. He just loved this song, and he is 16 years old now.

This is one of the most moving, inspirational and beautiful books I own. Everyone should live by the spirit and message of this great classic song: Never sit it out: DANCEI can’t imagine a more poignant song that will touch people all over the world now and forever.

Granddaughter loves the book and CD. I had to get a "used" copy, since no new ones seem to be available. Wonderful video on country channels once in a while, but no copies of the video seem to be available, either. Too bad.

I plan on purchasing additional books for more of my friends. I have never had anyone say they didn't like it. It actually brings tears to their eyes. It reminds them to stop and smell the roses and to live life as if there was no tomorrow. It is wonderful!bibhendricks

great

As advertised.

One of my favorite songs and very personal to me. I only wish it wasn't previously owned with writting in it.
