Synopsis

Babies use a binky. Do big kids? No! Big kids say, "Bye-bye, binky!"Every child’s life is filled with milestones. Some happen easily; others need a little extra support. Artist and mom Maria van Lieshout has been there. Drawing upon her own experiences, she has created an engaging series of books that are just right for children on the brink of major changes and the caregivers who encourage them.

Book Information

Series: Big Kid Power

Hardcover: 24 pages

Publisher: Chronicle Books (March 8, 2016)

ISBN-10: 1452135363

ISBN-13: 978-1452135366

Product Dimensions: 7.2 x 0.4 x 7.2 inches

Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars 24 customer reviews

Best Sellers Rank: #119,887 in Books (See Top 100 in Books) #69 inÃ Â Books > Children’s Books > Early Learning > Basic Concepts > Body #72 inÃ Â Books > Children’s Books > Growing Up & Facts of Life > Health > Toilet Training #143 inÃ Â Books > Children’s Books > Growing Up & Facts of Life > Health > Personal Hygiene

Age Range: 2 - 4 years

Grade Level: Preschool and up

Customer Reviews

Toddler-PreS-These simple and visually bold titles address two common milestones in the life of a young child-letting go of a pacifier and potty training. Van Lieshout uses the appeal of being a "big kid" to encourage young children. In Bye-Bye Binky, a smiling toddler narrates her transition from a crying baby comforted only by her binky to a girl who can ask for what she needs. She marks her transition to "big kid" by passing her binky along to another baby. The digital illustrations match the simple text and mainly feature the central character, rendered in thick black lines and positioned against a solid background. Neon orange contrasts with chocolate brown, creating a striking visual effect. I Use the Potty centers on a boy who is also looking back at his baby days, when he "pooped and peed in SO MANY DIAPERS." There is plenty to appeal to those who find potty humor hilarious,

including a satisfying "plop" when he finally masters the potty. The illustrations in this title are done in muted blue and neon yellow, which works especially well for an unfortunate leaky diaper scene. VERDICT Simple and engaging, these titles will work for even the shortest attention spans.-Kimberly Tolson, Medfield Public Library, MAÃ Â (c) Copyright 2011. "A godsend to parents at their wit's end."--Kirkus Reviews"These volumes discuss getting-bigger milestones-learning to use the potty, giving up the pacifier-in a way that little kids can grasp."--The Horn Book Magazine

My 2-1/2 year old has this book memorized but it hasn't helped with the binky habit. In fact, every time the book says binky, she cries for her binky. Backfired on me.

Great book for parents struggling with getting rid of the binky. My daughter loves books so she actually stopped using her binky for a week after reading this... then went back lol. Back to the books ÃƒÂ Ã Å¸Ã ËœÃ â

my binky loving toddler was so funny reading this book with me! she asked for it several nights and called it "the crying book". cute drawings and reinforced giving up binky (which was a challenge but went well overall when completed!) good book!

Read once and daughter decided she was big girl no need for a pacifier

We have a two and a half year old who is not a huge fan of giving up the binky yet. We're using this book as we work up to the final parting (we're toying with the binky fairy, giving away to a baby and, my choice: burning them. Just kidding! ... Sorta.) My daughter has taken to the messaging in this book beautifully, and especially likes repeating "I'm a big kid now!" Keep your fingers crossed for us.

The first time I read this book to my son, he cried and said he didn't like the book. 5 minutes later he asked me to read the book to him again.

Bought for 2 yo granddaughter. Read it to her and later found her flipping through the pages on her own. The cover character resembles her and may be why it fascinated her.

Gave the binky up on her own the same day this book arrived. This book is worth its weight in gold.
