Synopsis

It’s easy to teach yourself Latin American Spanish! Complete Latin American Spanish with Two Audio CDs: A Teach Yourself Guide provides you with a clear and comprehensive approach to Latin American Spanish, so you can progress quickly from the basics to understanding, speaking, and writing Latin American Spanish with confidence. Within each of the 24 thematic chapters, important language structures are introduced through life-like dialogues. You’ll learn grammar in a gradual manner so you won’t be overwhelmed by this tricky subject. Exercises accompany the texts and reinforce learning in listening, speaking, reading, and writing. This program also features current cultural information boxes that reflect recent changes in society. The accompanying audio CDs include audio exercises--performed by native speakers--that reinforce communicative skills. Features: Lots of instant help with common problems and quick tips for success, based on the authorÃ¢â ¬â„¢s many years of experience Tests in the book to keep track of your progress

Juan KattÃƒÂ¡n-Ibarra holds degrees in foreign-language teaching from the Universities of Chile, Michigan State and London. He taught Spanish at Ealing College and Shell International and was an examiner for the University of London School Examinations Board.

Average introduction to Latin American Spanish but could have been better. It focuses on travel needs like booking a hotel room, ordering food in a restaurant, shopping etc. rather than

conversational Spanish. It does provide an OK but not perfect introduction to basic Spanish with an emphasis on Latin American usage and pronunciation; it does not take you to an intermediate level as claimed. The recordings could have been a lot richer and longer. There is a lot of English on the recordings and they do not have the traditional pause for you to repeat the phrase that you will see with other language learning audio methods. I would supplement this book with other materials such as theÃ Â Assimil Spanish with Ease SUPERPACK [Book + 4 audio CDs + 1 CD mp3] (Spanish Edition),Madrigal's Magic Key to Spanish: A Creative and Proven Approach, andÃ Â Easy Spanish Step-By-StepÃ Â in addition to use of the language at every opportunity you find, if you are in fact aiming for an intermediate command of the language. Audio methods (only) that can be used includeÃ Â Total Spanish with the Michel Thomas MethodÃ Â (and Michel Thomas' more advanced recordings) orÃ Â Spanish Comprehensive Plus Bundle Lessons 1-100 (Pimsleur Latin American Spanish Series Levels 1,2,3, 4, Volume 1, 2, 3, 4). Ultimately you should try to read or hear native materials whether books, TV or music if you are aiming for a decent command of the language.
