Synopsis

The Amish Cook, a full-color cookbook based on Elizabeth Coblentz’s columns of the same name, compiles more than 75 traditional Amish recipes, photographs of the Coblentz farm, practical gardening tips, cherished family tales, and firsthand accounts of traditional Amish events like corn-husking bees and barn raisings.The column started when aspiring newspaper editor Kevin Williams convinced Elizabeth Coblentz, an Old Order Amish wife and mother, to write a weekly cooking column called "The Amish Cook." Each week Elizabeth shared a family recipe and discussed daily life on her Indiana farm, spent with her husband, Ben, and their eight children and 32 grandchildren.Ã Â A truly unique collaboration between a simple Amish grandmother and a modern-day newspaperman, The Amish Cook is a poignant and authentic look at a disappearing way of life.

Customer Reviews

I was looking for authentic recipes, made entirely from scratch.. These are good but I’m

disappointed to see store bought ingredients.. I like the anecdotes that go with it..

I became aware of Elizabeth Coblentz after moving to Indiana in 1999. I used to write my Aunt weekly and include Elizabeth's newspaper article with my letter. She loved them as well. I was so glad to see Kevin Williams, Elizabeth's editor, had a cookbook published about Elizabeth and including her recipes. Elizabeth's articles were a personal glimpse into a quieter and more peaceful life, like stepping back in time. I admire the strength and peace of that lifestyle. I will enjoy making many of these recipes too, as I now try to avoid prepared (boxed, mixes and manufactured) foods as much as possible.

One of my all-time favorite books. I loved recipes and the wonderful stories of her beloved family. I have been reading weekly The Amish Cook in my newspaper. IT was a pleasant surprise that this was HER book. I also liked learning about Amish customs. Can't say enough about this book. Loved it.

This was a great book to read. The recipes are awesome I can't wait to try some of them. It was very interesting to read of all the different things and hardships in their lives. I would definitely read more from this author.

I never thought I could become so emotionally moved by a cookbook...shed tears at the end...beautiful book...a keeper.

Really like this book--packed with good recipes and cultural information.

purchased as a gift for someone

This book was wonderful. The pictures alone make the book worth purchasing, let alone the fantastic Amish recipes and great first-hand stories from a real Amish housewife. Very interesting, and full of real Amish cooking!
