Synopsis

At just 14 years old, gymnast Gabby Douglas left behind her close-knit family in Virginia Beach, Virginia, to train under Liang Chow, famed coach of Olympic legend Shawn Johnson. The move to Iowa was not an easy decision for the focused teenager. For many months, she suffered serious bouts of homesickness. Still, the girl with the golden smile believed her sacrifice would someday lead her to Olympic gold. A children's biography and Moonbeam Children's Book Award Winner, Gabby Douglas: Golden Smile, Golden Triumph will grab readers as they experience the thrilling path the popular gymnast from the Fierce Five took on her way to becoming Olympic Champion and America's Sweetheart.

Customer Reviews

My daughter read this for a school project. She loved the book. It was an easy read and she found it to be very encouraging. Highly recommend. They accidentally sent me two books and and their great customer service refunded me for the other book. ÃƒÂ Ã Å¸Ã ËœÃ â

Perfect present for my granddaughter, the gymnast.

my granddaughter said she liked it.

I chose this book because i like sports and gymnastics. It gives the reader the opportunity to experience some of the live of a young aspiring athlete. This optimistic view of Gabby Douglas's live glossed over the surface of the physical exhaustion and sometimes pain that goes with competitive sports. It doesn't mention the number of times that Gabby hit the floor trying to master a move. it does focus on the highlights of her life and the wonderful couple that took her into thier home so she could train with Chou. It is a good read.

I bought this book for my ten year old daughter to read for a school biography book report. She is an aspiring Olympic Gymnast (currently competitive level 8) and I thought this book would be a great read for her. She really enjoyed reading this.

Good book.

Great book! Good quality! I have to read it alongside my 7 year old as there are some big words that she's not quite ready for yet. But she loves the pictures and most of the content so far (on Chapter 4)

I chose five stars because this an very very awesome book to read. It blew my mind and its very exciting just reading it!! I LOVED this book and I recommend it to people to like gymnastics or interested in gymnastics. Also its a very awesome biography book for you to read!! :) I love this book. I have done gymnastics for about 2 years and its just AMAZING!!! :) hope you like it!!
