Customer Reviews

If you have any interest to know about Bone Broth and want to learn Bone Broth diet plan then you are on the right place and this book will be a perfect choice, as far I can honestly say. I found this awesomeÃ Â bookÃ Â last week and grabbed it as per my auntÃƒÂ¢Ã â ¬Ã â„¢s recommendation. Inside of it both author has described about how to lose our extra pounds from our bodies just following this diet plan perfectly.It taught me & showed me how to keep myself on the right track, how to follow this diet plan perfectly, what to do and what to avoid, and many more things. Throughout it I have come to know lots of nutritive value information about bone broth. Now I have understood about the benefits & advantages of bone broth. By the help of this book, I have learned some bone broth recipes as well, so overall this was a great & worth reading.

Contained necessary facts and information. Despite several grammatical errors, I came away with some new knowledge. Easy to read on Kindle format. Good recipes.

Good recepies.

Great information a soup maker be changing to a broth maker cannot wait to go purchase some bones and make some broth

It could use a plan of sorts along with all the information it gives, otherwise it is a great book.
