The pictures are beautiful, the recipes are incredible, but not all of the food is Irish. There are definitely many great examples of traditional Irish cuisine, but there are also plenty of Italian dishes, French dishes, even a recipe for "Hamburgers". I purchased this book looking for authentic Irish recipes...which I received. I would have been even happier, however, if the non-Irish dishes were saved for a non-Irish cookbook. Easy enough to overlook them, though, and overall the cookbook is amazing!

I found this cookbook at a local book store for $5. I even bought another one as a gift, I loved it so much! Recipes are easy but the lovely pictures don’t look anything like my finished products!
