Synopsis

Welcome to my book, The Nazarene. May Yahuah give us all eyes to see the Truth, the ears to hear what the stars proclaim day after day, night after night, and the mind to overcome 2,000 years of the Lying Pen of the Scribes and the traditions/doctrines passed down generation after generation that are Ã¢â ¬Å“nothing but lies, false gods, and things of no profitÃ¢â ¬Â•. In this book, I am going to overcome these lies. I am going to show the proper meaning and intent of Scripture by correcting the mistranslations and demonstrate the meaning in context. I will portray The Nazarene in proper context of The Heavenly Scroll, within the proper relationship to his Father, and lay out his life as a human being. I will show that Yahusha came to show us The Way whereby we all can achieve the Fullness of Deity in our bodies, Fulfill The Law, and defeat death. That Ã¢â ¬Å“WayÃ¢â ¬Â• is Mikveh, Circumcision, and Offering on Passover. While these Hebrew Roots teachers claim to have Ã¢â ¬Ëœcome out of BabylonÃ¢â ¬â„¢ they remain knee deep in it. These Ã¢â ¬Å“teachersÃ¢â ¬Â• are self-appointed and remain HellenizedÃ¢â ¬Â¦ They all have denied The CreatorÃ¢â ¬â„¢s Witness of Yahusha written in the stars at creation called The Heavenly Scroll. Instead of teaching the Truth, that Yahusha was given Glory with Yahuah at Creation, written in The Heavenly Scroll, where The Branch is foretold as a Ã¢â ¬Å“Lamb that would be slaughteredÃ¢â ¬Â•; they teach us that Yahusha pre-existed and was co-creator. These men who claim to understand the Scriptures, have denied the very source of inspiration of all the Prophets, as they all to a man, were Witnessing the coming of the Branch, Orion, in The Heavenly Scroll. We have twisted the Scriptures to serve our own blasphemous purposes to tickle the ears of the people who want a demi-god in the image of all pagan religions. Much like when the Israelites rejected Yahuah as their King and demanded a human King like all the pagan nations. We have adopted Ã¢â ¬Å“the way of the pagansÃ¢â ¬Â• in the most fundamental pagan doctrine of all! Incarnation.

Wonderful insight! Gets you out of religion and into Yahusha!

Excellent read! Easy to grasp, well written, (as all of Rav Sha'ul's books are). Highly recommend ALL Nazarenes and those with questions, looking for truth, read this. HalleluYahuah!

Excellent book! I recommend heartily ...

As a 35 year old biracial male (Native American/Caucasian), I grew up in the traditional church of christ, learning of the Trinity and Jesus as God. As a young man I fell away from the faith, wanting to "do my own thing" as many do. I always kept my belief in God, and faith in a higher power. After going through failed relationships, drug addiction, college education and the corporate world...I found myself spiritually empty and in need of "food". In 2012 I got back into the word and surrounded myself with teachers. On March 24th 2013 I was baptized, and since then have been in search of the truth non-stop..praying always for enlightenment and truth. As I researched I began learning about the word I had been reading all my life, and the many cracks in its exterior/interior. From mistranslations, to misunderstandings, to holidays that are practiced and celebrated. I found myself an outlier in many Christian churches and groups. I wanted to expose these untruths, and in doing so marginalized myself. That's when I came across Rav Shaul and his work, the first book I read was "The Nazarene"...and all I can say is it was exactly what I was looking for. It sheds light on

subject matter that most of today's "Teachers/Preachers/Pastors" are not willing to or are unable to, and it's what I needed to move forward in my walk with Yahuah. So much so that upon completion of this book, I immediately purchased "Creation Cries Out". To continue my pursuit of the truth, in hopes of one day teaching myself. To Yahuah be the Glory, and to Yahusha for showing us The Way. Hallelu Yahuah...

Beautifully written and so full of history and our Messiah's genealogy...I loved every min of this book..long read but very informative and detailed. I just love learning more more about my King YAHUSHA . Makes me happy to be and say with all truth that I was born to be a NAZARENE & to know the truth of my FATHER and my Messiah. Was so tired of the lies that was taught..didn't know what was truth from lies before I came across Rav Sha'ul's books..all praise,honor &Glory be to our 1 and ONLY true GOD YAHUAHA!!!!

This book tackles some very touchy issues and brings the truth to light that has been hidden since the dark ages. I have read all of this authors books and this is one of his best works. There is a plethora of scripture involved and packed with references. Those who are seeking a deeper understanding of the Messiah, this is your book, 5 star would be an understatement no library or seminary school should be without one. Highly recommend!

I have never read any book that is full of more Scripture laid out in context and taught in such a way. This book is literally redefining my foundation in Truth, one AMAZING read. I am so thankful to have purchased this book, all Praise, and Honor, and Power be unto our King. What an amazing reality.
